Booking Terms & Conditions

Please read these terms before confirming your event booking.

Booking & Payment

Deposit: A 50% non-refundable deposit is required to secure the event date and time. A booking is not confirmed until the deposit has been received. **Balance:** Full payment is due no later than 10 days before the event. If payment is not received by the due date, the booking may be released.

Cancellation & Changes

Cancellations made at least 48 hours before the event may receive a partial refund of payments made, less the non-refundable deposit and any reasonable costs already incurred. Cancellations made within 48 hours of the event, or non-attendance, are non-refundable. Requests to change the date, venue or package are subject to availability and may affect the price. If the therapist must cancel, clients will be offered an alternative date or a refund of payments made.

Travel & Venue

Call-out charge: Travel within 10 miles of Leominster, Herefordshire is included. Venues more than 10 miles and up to 20 miles away incur a £15 call-out charge. Travel beyond 20 miles is by prior arrangement and may incur an additional fee. The organiser must provide accurate venue information, suitable access and parking or unloading arrangements.

Equipment & Treatment Space

The therapist will provide the massage equipment, towels, oils and, where appropriate, aromatherapy essences. The organiser must provide a clean, warm, private and safe area with enough space for equipment to be set up and used. Please advise in advance of access restrictions, stairs, allergies, fragrance sensitivities or venue rules.

Health, Consent & Timing

Each guest must provide relevant health information and give informed consent before treatment. Treatments may be adapted, shortened or declined where massage is unsuitable or where relevant information has not been disclosed. Massage supports relaxation and general wellbeing and is not a substitute for medical advice or treatment. Guests should be ready at their agreed time; delays may shorten treatment without reducing the fee.

Professional Conduct & Responsibility

Treatments are professional wellbeing services only. The therapist may refuse or stop a treatment if professional boundaries are not respected, if the environment is unsafe, or if a client appears unfit to receive treatment; no refund will be due where treatment ends because of inappropriate conduct or undisclosed contraindications. The organiser is responsible for coordinating the schedule and ensuring guests understand these terms.
